

奉獻:使用 Zelle 服務步驟

Offering via Zelle Service

Dear members,

During this special period, many members have voiced their difficulties of continuing their weekly offerings. Other than mailing in the offering checks, church is pleased to announce the introduction of an electronic option of making regular offerings via Zelle. Contributions can now be debited automatically from your checking or savings account as long as your current bank support this feature. It should be no fee to both you and church.

The steps are as follows:

- 1) Please check if your bank is in partnership with Zelle. Most major banks should be on the list. Please check the list: <https://www.zellepay.com/get-started>
 - 2) Log on your own online banking to enroll Zelle. Just type Zelle on the search area if you can't locate it.
 - 3) Add "Lutheran Church of Holy Spirit" by using the following e-mail address as recipient: LCHS.FINANCE18.20@GMAIL.COM
 - 4) After entering the dollar amount, please remember to put the following on the memo area: "EM, CM or MM". "Your name" and "Offering Number" (if you have one). This will help with your year end donation receipt.
 - 5) SEND!!!
- Should you have any question, feel free to contact finance team at

LCHS.FINANCE18.20@GMAIL.COM

God bless you! Aaron, Jim and Joseph
